COMMUNICATION

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This Communication is in response to an Office action dated 08 December 2004, an Office action dated 07 January 2005 and a 14 February 2005 voice mail from Examiner Sakelaris. Applicants observed that the Restriction Requirement in Office actions dated 08 December 2004 and 07 January 2005 were identical and expected that the Amendment filed on 10 January 2005 in response to the first Office action was sufficient. Applicants also noted the response filed on 10 January 2005 was entered into the PAIRS database. In response to a voice mail message Applicants placed with Examiner Sakelaris, the Examiner stated in a reply voice mail that the response filed 10 January 2005 was responsive to the Office action dated 08 December 2004, and the Applicants should disregard the Office action dated 07 January 2005. Accordingly, Applicants are expecting an Office action on the merits as the next correspondence for the above-identified patent application.

CERTIFICATE OF TRANSMISSION/MAILING UNDER 37 CFR 1.8

I hereby certify that this paper (along with anything referred to as being attached) is being facsimile transmitted to the USPTO or deposited with the United States Postal Service with sufficient postage via first class mail in an envelope addressed to: Mail Stop: Amendment, Commissioner for Patents, P.O.
